Happy New Year!

We are excited for the year ahead—filled with networking events, happy hours, breakfasts, holiday celebrations, and so much more. Our goal is to help you grow and prosper in 2026, and attending events is a great way to meet new members and reconnect with those you already know.

We hope to see you at even more events this year! I am especially looking forward to connecting with our members and would love to set up a time to grab coffee or stop by your business to see how GABA can better support you in the year ahead. I will be personally reaching out to all members, and I hope we can connect soon.

Wishing you a healthy, happy, and prosperous New Year!

Sheena Herron
Executive Director

If your membership includes an ad in the **Bulletin**, please send your graphics to us, or let us know if you want us to use an ad you have on Facebook (not a reel).

Maryland and Baltimore County News

Small Area Plan 1, covering Arbutus, Lansdowne, and Baltimore Highlands, is well underway with the community engagement phase nearing completion. Over the past several months, the project team has gathered valuable input from residents, stakeholders, and subject-matter experts to help shape the plan's direction.

To collect this feedback, the team hosted a series of special-interest focus group conversations focused on key topics, including: Religious, civic, and nonprofit organizations; Environment and recreation; Business and land use; Health and safety; and Transportation. In addition, both an in-person and virtual public meeting were held, and an online survey was open from October through December.

Next, the project team will begin synthesizing all feedback and translating it into draft recommendations. Additional public meetings are planned for late winter or early spring 2026 to share what was heard during the participation phase and discuss next steps with the community.

Help Us Encourage Students to Extend Beyond Campus!

UMBC's winter session runs from January 5 – 23, 2026, followed by the start of the spring semester on January 26, 2026. The start of a new semester is a great time to introduce students and their families to the communities surrounding campus, including the many restaurants, shops, and attractions they have to offer. As always, we are working with our partners at the Greater Arbutus Business Association and the Greater Catonsville Chamber of Commerce to encourage new and returning students, faculty, and staff to [Extend Beyond Campus](#) by exploring Arbutus and Catonsville and patronizing local businesses.

During 2026, the Office of Government Relations and Community Affairs will be enhancing Extend Beyond Campus to include a consolidated list of deals and discounts that local businesses offer to UMBC students, faculty, staff, and families. We will be reaching out soon to discuss this effort in more detail. In the meantime, if you have questions or would like more information, please reach out to Mary Ann Richmond, Director of Community Affairs, at maryannr@umbc.edu.

Stuart Saunders Smith: The Night Suite

January 21 – 25, 2026

Earl and Darielle Linehan Concert Hall

Join us for five concerts — collectively called *The Night Suite* — that celebrate the life and creativity of composer Stuart Saunders Smith (1948–2024), who was a professor of music at UMBC for many years. His more than 300 compositions, both solo and ensemble, explore a diverse world of sound and experimentation.

A frequent author of percussion music, Smith returned time and again to the vibraphone, an instrument featured throughout *The Night Suite*. Performances over the five days will feature virtuosi Brain Graiser, Lee Hinkle, Aiyun Huang, Ayano Kataoka, Richard Putz, Stephen Solook, Jude Traxler, and others. Admission is free. [See performance times and details here](#).

Check out the full UMBC Arts and Culture calendar [here](#).
