LEARN MORE ABOUT GABA www.Arbutus.org

Hello Members!

Memorial Day marked the unofficial start of summer, and we are gearing up for the second half of 2026! We hope you had the opportunity to enjoy our largest event of the year, the **Arbutus Arts Festival**. It was an amazing day for our community, and a special thank you goes out to our committee members who work all year long planning and organizing this incredible event. We are already looking forward to the **2027 Arbutus Arts Festival!**

This past weekend, we also held our **Annual Beautification Day**. Volunteers spent the morning and afternoon planting, trimming, mulching, and cleaning throughout our business district. Our volunteers truly rolled up their sleeves and worked hard to make our area beautiful, and we sincerely appreciate every person who gave their time to help.

A special thank you also goes out to all of the sponsors who made Beautification Day possible through their generous donations. A full list of sponsors is above. Please consider stopping by their businesses and showing them a little extra support this month. Because of their generosity, we were able to make our business district beautiful and welcoming for our businesses, residents, and visitors alike.

Our June **Membership Breakfast** will be held on **June 24th** at **Martha's Cafe** — and **WE WANT TO MEET YOU!** Please make an effort to attend, even if you can only stop by for a few minutes. You get the most out of your membership by connecting with fellow members and the community. Come network, engage, share ideas, and help shape the remainder of 2026 with us. Your voice matters, but we can't hear it if you aren't speaking up. Come say hello!

As always, we hope you have a successful and prosperous month in business.

Member Message – [Kevin Armentrout](#) – SERVPRO

Somewhere along the way, I think we've lost sight of what service truly means. It's not about doing more or offering extra—it's about delivering exactly what the client expects, every single time. That consistency is what builds trust and turns you into a valued, go-to partner.

When clients know they'll get the same quality, the same experience, and the same outcome every time, they don't have to second-guess. That's where real value lives.

A simple example: I stopped at Dunkin' this morning and ordered my usual coffee—specific size, specific number of creams and sugars. It's not random; it's how I enjoy it, and I expect it to be consistent. Instead, I was given a larger size with the same amounts and told, "we can just add more."

But that misses the point.

More isn't better. Different isn't better. Better is getting it right.

It's not just about the product—it's about the experience. *When that experience changes, even slightly, the value changes with it.*

Whether you're serving a cup of coffee or delivering a critical service, the principle is the same: focus on quality, consistency, and meeting expectations—not exceeding them in ways that miss the mark.

Let's get back to what service is really about.

Public Information

What is [Insurance Fraud](#)?

Insurance fraud artists steal billions of dollars each year from hardworking Americans. According to the [Coalition on Insurance Fraud](#), it is estimated that each household pays approximately \$1,000 extra in insurance premiums each year to offset the cost of insurance fraud.

Fraud takes many forms: completing a false document, making a false statement, an agent pockets a premium, selling unauthorized insurance, exaggerating a claim, making a fraudulent claim. These actions are illegal and happen every day by organized criminals and everyday people alike.

Consumers are encouraged to report insurance fraud activities to the Maryland Insurance Administration's Insurance Fraud Division. You need not give your name.

#LivingLongerLivingWell Get The Most Out Of Walking

Walking is one of the best exercises you can do. It doesn't require anything more than a good pair of walking shoes. Here are ways that you can "up the ante" to get the most out of it.

1. Use your arms to burn more calories.
2. Get some poles or stop and do strength exercises.
3. Set goals you can see.
4. Wipe the pavement. Roll through your step from heel to toe.
5. Wear the right shoe.
6. Stand straight.
7. Skip the killer hills

Visitors can also enjoy the peaceful Joseph Beuys Sculpture Park at the edge of campus, featuring quiet shaded paths, benches, and unique stone installations perfect for a sunny afternoon stroll.

Congratulations to the Class of 2026! UMBC extends a massive thank you to the local Arbutus and Halethorpe business communities for helping us celebrate the thousands of new graduates who crossed the stage at the Chesapeake Employers Insurance Arena last week. Our local restaurants and shops made commencement week incredibly special for our students and their visiting families. While the campus layout feels a bit quieter now as the summer term begins, our doors remain open to our neighbors. [Learn more about university community initiatives here.](#)
